

DEVELOP YOUR INTUITION AND PSYCHIC POWERS

with Yolessa Lawrinncce

We all have intuition or a psychic nature—whether you refer to it as a gut reaction, instinct, or foresight. But, are you listening to the signs?

Your intuition is the manifestation of True Self. This course demystifies the 3rd Eye (sense of wisdom or the ability to see things for what they really are) so that you can deepen your spiritual connection and develop a profound sense of trust. A strong sense of trust helps you break free from old destructive patterns and feelings of entrapment so that you can manifest the life you desire.

Just like you have 5 senses—seeing, hearing, feeling, smelling and tasting—you also have clair senses or extrasensory abilities that correspond to them. When you tap into these senses, the messages you receive can be used to make life choices that are in your best interest.
